## FROM THE DESK OF PRESIDENT JOY MIEDECKE....

September's meeting was one of the best we've ever had! It was full of information with two terrific speakers, one a high school coach who will be a wonderful asset to us as we start to build our Young Americans for Freedom clubs in every high school in the East Valley and our main speaker who was not shy about laying it all on the line and giving us major insights on why we are and where we are as Republicans in California.

Tom Del Beccaro was witty and incredibly charismatic as he first defined his book, *The Divided Era*, and then put it into perspective with what we are facing in the 2020 election. Tom has been a close friend of mine for many years and I was so happy that he took the time to come to the desert and speak to us.

We have tickets for sale for our \$50 raffle where you will pay for a dinner and get the 2nd dinner free (kudos to Ray Rodriguez, owner of Cansuelas Cafe & the Cork Tree Restaurant, and get in the pot to win \$1500.00 in cash. Drawing will be held in February at our meeting...We are doing this for seed money for our Mickey Gilley event next March at the Polo Estate in Indio. This event will be the only private event that Mickey & Johnny Lee will have on the West Coast and we are honored that they are doing this for us. There will be gourmet dinner, pictures with the stars and an incredible show! Please put March 25th 2020 in your plans and remember that this event is going to sponsor our efforts to get a Young Americans for Freedom club in every High School in the East Valley.

I cannot think of anything that I'd rather attend than a reminiscence of one of the greatest movies ever made, *Urban cowboy*!

Well if you weren't there you missed it! 170 people for lunch for our first meeting as we return from summer....great speakers, good food, great camaraderie and information about how you can be the most dedicated and effective Republican ever, and how we can bring back our beautiful state!

Next month we have Carl De Maio...Get ready to rumble!!!

Hugs,  
Joy

Country & Western star Mickey Gilley is the cousin of rockabilly legend Jerry Lee Lewis and televangelist Jimmy Swaggart. He was raised in Ferriday, Louisiana. After Lewis became a chart-topper in the 1950s, Mickey turned professional himself and cut some singles before becoming a session player in the Big Easy. Gilley had a minor hit, "Call

Me Shorty", in 1958. He didn't release his first album, "Down the Line", until 1967. The album yielded a minor hit, "Now I Can Live Again". Three years later, he became a nightclub owner when he opened GILLEY'S CLUB in Pasadena, Texas. The club, billed as the "world's biggest honky tonk", became famous when it was used as the setting for *Urban Cowboy* (1980). By the mid 1980s, Gilley was experiencing cross-over success when he mellowed his Country & Western with a more Pop orientation. He enjoyed 17 #1 Country Hits.

## Proposition 13 ALERT!!!!

This election could destroy California forever.

Gavin Newsom and the California Democrats are planning on using the 2020 Presidential Election to assault any check left on their power to steal from and abuse the citizens of the state.

The Democrats and the special interests have already qualified an initiative to repeal Prop 13. With the repeal of Prop.13 Democrats will be able to raise property taxes to enrich special interests, without limit.

As if this wasn't enough, the California Assembly just heard ACA 1, a proposed ballot measure that will allow local governments and special districts to easily pass taxes to fund the projects of special interests.

Even worse they are trying to put ACA 4 on the 2020 ballot, a scheme by the California Democrats to use our classrooms to grow their ballot harvesting efforts. This bill will allow 17-year-old high school students to vote in Primary Elections, despite not having turned the legal voting age of 18, opening up the doors of our high schools for teacher unions to tell students how to vote and harvest their ballots.

The Democrats have an agenda and plan to steal from you and drive you out of the state or into poverty.

We are not giving up. We are fighting back and already organizing for the 2020 election to Take Back California.

Are you with me?

Can you pitch in \$25 or any amount today to help us fight back against the strong-arming Democrats' agenda and TAKE BACK CALIFORNIA?!

Thanks!

Governor Gavin Newsom is certifiably insane.

He knows none of the 2020 BIG GOVERNMENT SOCIALISTS can beat President Trump, and now he's trying to take us down.

With the help of liberal California politicians, Governor Newsom is trying to unconstitutionally silence conservative voters by keeping the President OFF the 2020 ballot.

We can't let that happen, DIANA. We can't let them get away with another pathetic ploy in the hopes of undermining OUR President.

So, with the help of the Republican National Committee, the entire Trump Campaign, and the California GOP, we are SUING THE STATE OF CALIFORNIA.

But, we can't do this without the support of the American people. We're calling on YOU to stand with the President and fight back against the unconstitutional actions of Governor Newsom and the State of California.

Please sign our Official Petition to get on the list of American Patriots as Official Co-Sponsors to our lawsuit against California and their sad governor <https://action.donaldjtrump.com/we-are-suing-california>

## Church or Club Ballot Harvesting: How to Transform Culture and Politics [Must-See Video]

### Graig Huey will be talking at the GOP Convention

<https://tinyurl.com/y6olanrm>

The politicians, the news and social media all hope to elect socialist, anti-Christian candidates in 2020. Freedom-loving conservatives – whether Democrats, Independents or Republicans – have some key “non-negotiables” that should govern who they vote for:

- ◆ Protection of religious liberty
- ◆ Supreme court nominees who will protect Christian values
- ◆ Protection of the unborn
- ◆ Defense of Israel
- ◆ Determination to stop the persecution of Christians and other religious minorities around the world

On these key issues there is no compromise...But the Democrat socialists ... and the news and social media oppose these commitments. And they are going to use ballot harvesting to try to win in 2020 ... just like they did in the midterm elections of 2018.

But conservatives have a secret weapon: church or club ballot harvesting. Watch this 3 1/2-minute video above to learn how this strategy works.

## Hospitality Chair Debbie Frazer Needing Ambassadors

If you have recently attended our luncheons at Desert Willow, you have seen our amazing Ambassadors. They are the women welcoming you as you enter the building, helping direct you to the registration table, selling raffle tickets and assisting you as you find your place in the dining room. Every Ambassador is a fellow member with a desire to serve our members and guests at our events, offering a friendly smile and assistance wherever needed.

This is YOUR invitation to join this powerful team of joy-filled women. You may be asking:

"If I commit to being an Ambassador, will I be required to serve at every EVRWF event?" The answer is "No!" This is a volunteer position and your assistance will be greatly appreciated when your schedule allows.

"Are there Ambassador meetings to attend?" The answer is "No!" All communication and signups are done via email or text.

If I've piqued your interest in learning more, please contact me directly.

I look forward to our conversation!

This committee collects new and gently used children's books to donate to schools in need in the Coachella Valley. In addition, many of our members have joined the "Read With Me" Program --- an organization in which volunteers donate their time by going to elementary schools in less fortunate areas of the valley to help with reading. The organization has also expanded to help with Math. For those of you who volunteered last school year, you should have received an email to register for this school year. If you did not receive a registration email or if you would like to consider joining the group this school year, please contact one of us.

The Latino population in California is expected to reach 39% of the population. If the Republican Party expects to grow, or even survive, it must increase the number of Hispanic voters. This must be done through information and education. Faith, Family, Community and Character reflect the fact that their values are not Democrat values, they are **REPUBLICAN VALUES!**

The Democrat party has taken the Hispanic vote for granted since before the 1950's. Human nature makes it easier for us to simply continue to believe what we have always believed than research the issues and form discover new realizations. As Republican Women, it is our responsibility to prepare and present to the public in general; and in this specific case, the Hispanic population, facts as they are, not as the Democrats wish them to be.

- ✓ Unchaining their faith by signing the Religious Liberty Executive Order.
- ✓ Strengthening their families by reducing income taxes.
- ✓ Improving their Communities by creating over 600,000 jobs.
- ✓ Restoring the value of Character in our daily lives.

At the recent convention of CFRW; Joy Miedecke, President of East Valley Republican Women Federated (EVRWF) unveiled a campaign they created. EVRWF is located in the Coachella Valley of Southern California. When asked how the campaign evolved, Ms Miedecke stated, "having a permanent physical presence where like-minded people can share thoughts and ideas is critical to increasing membership, as well as brainstorming new ideas."

## EAST VALLEY REPUBLICAN WOMEN FEDERATED SEPTEMBER LUNCHEON A HUGE SUCCESS! Sunny Simoneti

Pictured are Candidate RAUL RUIZ, running for the 36th District seat of Democrat Raul Ruiz. If his poise and great smile are matched by his message, he's sure to be a big hit.

Our guest speaker was BRETT DAVIS (pictured in light jacket at table), World History Teacher and Head Football Coach of Coachella Valley High School. Brett's talk was compelling and a big hit---you'd think he was a seasoned politician.

Our Main Speaker, TOM DEL BACCERO, was a huge success. He is witty, very knowledgeable, very well versed in history, world affairs and politics. Everyone enjoyed him immensely and his book "THE DIVIDED ERA" was in big demand.

We have many new members which accounted for the large turnout---170 people!

President JOY MIEDECKE had many delightful surprises for us: an Italian tenor who sang in honor of Tom's Italian heritage, words from HEATHER OBERNOLTE, among them.

Needless to say, the EVRWF season has gotten off to a great start!!
